your admission for any reason or to cancel or change the date of your admission. Your rights in the event that this happens are set out in section 9 below.

- 3.3. The decision as to whether you are fit to discharge from the Hospital or Clinic after your surgery/treatment/procedure will be made by your Consultant. If you wish to stay in the Hospital or Clinic after you have been declared fit for discharge the Hospital or Clinic's standard charges will apply and you will be invoiced separately for this. If you discharge yourself against the advice of your Consultant no further Services will be provided as part of the Self-Pay Inclusive Package and no refund will be given if you leave the Hospital or Clinic earlier than recommended. - 4.3. Costs incurred by you that are not included in the Inclusive Package Price will be charged at the Hospital or Clinic's standard rates.

- 4.4. We will ensure that we explain to you how we have calculated the Inclusive Package Price before you agree to go ahead with the Self-Pay Inclusive Package.
- 4.5. Payment of the Inclusive Package Price can be made by cash, debit card, credit card, personal cheque, company cheque, bankers or building society cheque. Please write your patient number on the reverse of all cheques.
- 4.6. You must make payment of the Inclusive Package Price in full, and in cleared funds, 7 days in advance of your admission to the Hospital or Clinic, unless otherwise agreed in writing by the Director at the Hospital or Clinic at which you will receive the Services. We will refuse admission to you if you have not paid the Package Price in full. Your rights to a refund on cancellation are set out in section 8 below.
- 4.7. Your Consultant, who may be a physician, surgeon or anaesthetist, is an independent medical practitioner and is not employed by Aspen Healthcare. Unless we advise otherwise at section 5 below, your Consultant will charge you separately for their services, including for your initial consultation.
- 4.8. When you arrive for your appointment or treatment at the Hospital or Clinic you will be asked for a debit/credit card and your card details will be recorded and stored securely so in the event that you incur charges that are not covered by the Package Price, we may use these card details to take payment. We accept all major debit/credit cards. Your stored card details will not be used if you do not incur any additional charges. The charges which are excluded from the Package Price are set out in section 6 below. You will receive a detailed statement showing any outstanding charges not covered by the Inclusive Package Price before we take payment. You will have seven (7) days to query your bill and/or make payment. We may then use your stored card details to take the payment but we will send you confirmation of this in the post.

8. What if you decide to cancel your treatment?

- 8.1. If you decide you do not wish to proceed with the Services to be provided to you under the Self-Pay Inclusive Package, you may contact us at any time in writing to cancel the contract using the contact details set out in section 12 below.
- 8.2. We will refund any advance payment made by you for the Services that we have not yet provided to you. You will pay for the Services you have received up until that point (for example your pre-clinical assessment and any pre-admission tests) and/or for any costs which Aspen Healthcare has already incurred in order to provide you with the Services as agreed. This will include where any item(s) specific to the provision of the Services to you have been ordered and cannot be returned

(unless your treatment has been rescheduled). If you cancel within 7 days of your surgery (unless due to illness or rescheduling) you will be required to pay 50% of the hospital fee (excluding prosthesis) which will be quoted to you prior to any cancellation being confirmed.

- 8.3. Refunds will only be made to you and via the initial method of payment used by you when making the original payment.

9. Our rights to cancel or suspend the Services and applicable refund

- 9.1. We may have to cancel or suspend an appointment or admission date or an aspect of the Services before it is due to start for any reason, including for example, due to the unavailability of key staff members or materials required to provide the Services or because of any event outside of our reasonable control. We will contact you promptly if this happens and will try to rearrange any appointment or admission dates with you. If we are not able to find any suitable alternative dates and instead we have to cancel the provision of any part of the Self-Pay Inclusive Package to you, and payment in advance has been made by you for any part of the Self-Pay Inclusive Package that has not been provided to you, we will refund these amounts to you and via the initial method of payment used by you when making the original payment.
- 9.2. If on undertaking a Covid-19 test prior to admission for your surgery/treatment/procedure you test positive for Covid-19 or if you are displaying the symptoms of Covid-19 on or around your admission date, we will suspend the provision of the Services to you until you are fit and able to receive the Services. If once you are deemed fit and well we are not able to find any suitable alternative dates for your surgery/treatment/procedure and instead have to cancel the provision of any part of the Self-Pay Inclusive Package to you as a result, we will refund the Inclusive Package Price less any amount that you owe to the Hospital and/or Consultant for Services which you have already received and/or for costs already incurred by Aspen Healthcare in order to provide you with the Services as agreed.
- 9.3. We may terminate our contract with you to provide the Self-Pay Inclusive Package at any time in the event of your failure to disclose any pre-existing medical condition(s) known to you which prevent the Services being provided to you or if you do not pay us when you are supposed to. If payment has already been made by you for the Self-Pay Inclusive Package, we shall refund the Inclusive Package Price less any amount that you owe to the Hospital and/or Consultant for Services which you have already received and/or for costs already incurred by Aspen Healthcare in order to provide you with the Services as agreed. In such circumstances, the cost of the Services received and costs incurred by Aspen Healthcare will be charged for at the Hospital or Clinic's standard rates.

- 9.4. If your Consultant cancels the provision of the Services to you for medical reasons which mean that your surgery/treatment/procedure should not go ahead, you will be refunded the full Inclusive Package Price.

10. What if you are unhappy with the results of the Services or there is a problem with the Services?

- 10.1. Please note that the results of any surgery, treatment or procedure provided under the Self-Pay Inclusive Package cannot be guaranteed and it is possible that complications with your surgery, treatment or procedure can occur. Your Consultant will explain about these to you before your surgery/treatment/procedure. You are also encouraged to read and review any information provided to you regarding the Services following your clinical pre-assessment, and by agreeing to these Terms you are accepting all the possible risks that may arise by our performance of the Services.
- 10.2. Your Consultant will discuss any concerns you have post-surgery/treatment/procedure and review your treatment outcome at a post-operative consultation. Your Consultant will determine if further tests/diagnostic imaging/revision surgery are necessary.
- 10.3. If the Self-Pay Inclusive Package is for cosmetic surgery and should your Consultant decide that the aesthetic outcome is not as was expected or in line with documented discussions prior to the surgery/treatment/procedure taking place, revision surgery would be included within your Self-Pay Inclusive Package provided this is identified by your Consultant to us within 12 months following your initial surgery.
- 10.4. If the cosmetic result of your surgery/treatment/procedure meets the expectation of your Consultant, any revision surgery will be chargeable at the Hospital/Clinic's and the Consultant's standard rates.
- 10.5. If you are unhappy with the results of any revision surgery undertaken in accordance with section 10.3 and wish to have further revision surgery, this would not be included in the Self-Pay Inclusive Package and will be chargeable at the Hospital/Clinic's and the Consultant's standard rates.
- 10.6. If you think there is any problem with the Services we provide, please contact us as soon as reasonably possible using the contact details set out in section 12 below and tell us what the problem is. We will investigate the problem under our complaints procedure (a copy of which is available on request) and try to repair or fix any issue we find as soon as possible.

 - 11.1.3. where there is a change or development in the services that we provide.

- 13.3. We are responsible to you for foreseeable loss and damage caused by us. If we fail to comply with these Terms, we are responsible for loss or damage you suffer that is a foreseeable result of our breaking our contract with you or our failing to use reasonable care and skill. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the contract was made, both we and you knew that it might happen, for example, if you discussed it with us during your clinical pre-assessment.
- 13.4. We strongly recommend that you do not bring any valuables, jewellery, large amounts of cash, credit cards or a cheque book with you to the Hospital or Clinic. If this is unavoidable or nonetheless you do bring items of value with you, this is at your own risk as we do not accept any responsibility for the theft, loss of, or damage, to any of your or your visitors' valuables, cash or any other property that you or your visitors bring to the Hospital or Clinic.

- 13.10. Even if we delay in enforcing our contract with you, we can still enforce it later. If we do not insist immediately that you do anything you are required to do under these Terms, or if we delay in taking steps against you in respect of your breaking this contract, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date.
- 13.11. These Terms are governed by the laws of England and Wales. You and we both agree to submit to the non-exclusive jurisdiction of the courts of England and Wales.
